

4/4 Suitcases

The exercise consists of six suitcases arranged in a circular pattern. Each suitcase is associated with a musical note or symbol. The notes are: top-left (quarter note), top-right (quarter note), middle-left (quarter note), middle-right (quarter note), bottom-left (quarter note), and bottom-right (quarter note). Wavy lines are placed around the suitcases, and a large 'W' watermark is in the background.
