

# Draw a Treble Clef

The illustration shows a person's head in profile, facing left, with brown hair and glasses. The head is positioned on a five-line musical staff. The top part of the head, including the ear, is overlaid with a partial treble clef. The middle part of the head, including the nose, is overlaid with a partial treble clef. The bottom part of the head, including the chin, is overlaid with a full treble clef. The background features a large, faint watermark of a musical note and the text 'wirth method'.
