

## The Voice - Our Instrument

How to Play the E-learning Videos with Subtitles

Download VLC

Load video clips from USB stick  
Open the VLC-Playlist  
Play selected video

For adding a subtitle:

Start playing the video

Select "add subtitle file" from top toolbar and select respective language:

AR Arabic  
ZH Chinese  
EN English  
ES Spanish  
FR French  
EL Greek

To create a playlist:

Open VLC player  
Open media folder (which contains all video files and correlating subtitles)  
Sort files of media folder by kind  
Mark all video files  
Drag all video files to VLC  
Save a playlist  
Save Playlist as .xspf format  
To play video and choose subtitles see above
